Hello...

Thanks for choosing Justin Lane Establishment to host your next exclusive function! Since 2011 we've been serving up only the best ***booze, food and good vibes*** right here in the centre of Burleigh Heads. Though we started out small, just 2 shop fronts in fact, we've been busy building one of the GC's favourite drinking and dining destinations and are now proud to occupy an entire building (almost). Growing up means there's a whole lot more space and it's been organised into the perfect selection of rooms to host your special event!

The entire top level of Justin Lane is completely modular and each individual room is available for exclusive function hire. Most rooms are seperated by glass partitions, all of which can be removed allowing you to connect as many adjoining rooms as you please. In fact our functions team has been host to intimate private dinners of only 10 all the way to corporate parties in excess of 300 not to mention countless product launches, weddings, birthdays and just about everything in between. Whatever you have in mind for your event you're sure to find a space to suit.

It's not all about our eclectic spaces though, where Justin Lane truly stands out is our constant dedication to quality. Our philosophy has always been to do things simply but exceptionally well. Our menus feature only the freshest ingredients of the highest standard sourced from local producers and around the world. Our team is devoted to ensuring a flawless function filled with fun and friendly service. You can rest assured that we will make your next event a truly unique dining or cocktail experiene that you and your guests will remember for years to come.

We understand that organising an event can be stressful. Our expert team will be here to help you plan out every detail and fulfill your every need. Let Justin take care of everything so you can simply...

BEVERAGE

It's right there at the start of our famous motto: **Booze, Food and Good Vibes!**

Justin Lane is proudly one of the Gold Coast's first and longest running craft cocktail bars and while things have gotten a lot busier since we started in 2011 our dedication to craft and quality drinking hasn't diminshed one bit.

Our bars feature a constantly changing array of local craft beers, Italian favourites, wines from Australia and Italy with a focus on sustainable practices, and of course: a never ending stream of incredible cocktails!

To really experience all that Justin Lane has to offer we welcome our guests to select options from our menu in advance for your event's bespoke drinks offering. These drinks are then charged on a consumption basis.

If you're looking for something a little more predictable Justin has recently introduced a selection of bottomless drinks packages to ensure there's always plenty of booze to go around.

Need something more? Favourite cocktail in mind or a bespoke drink just for you? Don't hesitate to ask what our dedicated team of experts can do to help make your celebration truly special.
